January 27, 2026

Dear Parents/Guardians,

The staff of the Class of 2029 is eager to share the progress our students have made since our last conference. As 9th grade year is such a foundational year, it is essential to make strong connections and build relationships between teachers, students, and parents. To help students take ownership of their education, the following topics will be prepared for discussion with you:

- ❖ **Academic strengths and opportunities for growth**
- ❖ **Acclimation to the City High culture and the 9th grade**
- ❖ **Information regarding your student's grades and credits towards graduation**
- ❖ **4Plus Monday activity schedule**
- ❖ **STAR Testing data**

It is essential that you and your student participate in this conference. Your involvement is key to your student's success as they navigate their high school experience.

Conferences will be held on Monday, February 16, 2026 (President's Day) from 11:00 a.m. until 3:00 p.m. and from 4:00 p.m. until 6:30 p.m. at the school building. **To schedule a conference time, please [complete the online Google form](#), which will be sent to your email, by Tuesday, February 10.** We strongly encourage all parents/guardians to attend. Students are also encouraged to attend the conference and will receive **ten workforce points** for attending.

Once you fill out the Google form to request a conference, your student's Advisor will call or email you to schedule your conference. If you are not available to meet on February 16th, please contact your student's Advisor, who will attempt to arrange a meeting with you at another time.

Language interpretation will be available via a phone service, as needed, in any language throughout the day. In-person Spanish interpretation will be available upon request.

We have a goal of 60% of our parents attending conferences each year. We met our goal for fall conferences, but we need a strong turnout this spring to help us meet our goal for the year!

We look forward to meeting with you and your student.

Sincerely,

Mrs. Carla Knight
2029 Assistant Principal

Dr. Dara Ware Allen
Principal and CEO
