

City Charter High School Scholarship and Grant Information

City Charter High School created the scholarship fund to assist graduating seniors with the rising costs of post secondary education and training. With a donation from generous supporters, we are able to provide these awards to students who demonstrate academic promise and financial need.

The Scholarship Selection Committee will evaluate and select scholarship recipients. The committee is comprised of both Transition Managers and representatives from administration, the freshmen, sophomore and junior instructional staff and the Board of Trustees.

The awards are one time only and are not renewable. Funds must be used in the twelve months following your graduation from City Charter High School.

Awards must be used for expenditures directly associated with attending a post high school program (two or four year college or training program). Funds are paid directly to the institution and may be used for:
