## ADMISSION POLICY AND PROCEDURES

City Charter High School complies with all Federal and State laws that pertain to school admission. The following statements are from Pennsylvania Law 24 P.S. § 13-1301 - § 13-1306.

### ENTITLEMENT EDUCATION

Every child of school age who is a resident of a Pennsylvania school district is entitled to a public school education. This entitlement and the requirements to secure enrollment apply equally to resident students residing with their parent(s); to non-resident students living with a district resident who is supporting the child gratis and seeking enrollment under 24 Pa. Code §13-1302; to nonresident students living in a facility or institution; and to nonresident students living in a foster home. Provided that the required enrollment documentation described herein is provided, the school district or charter school must enroll non-resident children and permit them to attend school. A child should be permitted to attend school on the next school day after the day on which the child is presented for enrollment, and in all cases within five (5) business days of the school district's receipt of the required documentation. 22 Pa. Code §11.11(b)

### Home Language Survey

All students seeking first time enrollment in a school shall be given a home language survey in accordance with requirement of the U. S. Department of Education's Office for Civil Rights. Enrollment of the student may not be delayed in order to administer the Home Language Survey.

### Items Which May Not Be Requested

A child's right to be admitted to school may not be conditioned on the child's immigration status. A school may not inquire regarding the immigration status of a student as part of the admission process.

City Charter High School is a public school and is therefore open to all students regardless of race, ethnic background, gender, religion, and/or ability. As a school of choice, families have an opportunity to make an informed decision regarding the appropriateness of this and other high schools for a particular youngster.

In order to help families make the best decision, tours for current **7th & 8th grade students** are available by appointment from the beginning of October until the end of May each year. The youngster should accompany the parent/guardian on the tour. During the tour, families have an opportunity to visit classrooms, receive information about the curriculum and ask questions.

To schedule a tour, please call 412-690-2489.

## GRADE 10 ADMISSION

New students are admitted into the 10th grade at the beginning of the school-year and at the beginning of second trimester.

If after February 1, a student is still on the ninth-grade waiting list, then he/she will be automatically moved to the 10th grade waiting list. Any new 10th grade applications will be added to the end of this list.

All incoming 10th grade students should have a grade of C or better in each of the four core courses—English, History, Math and Science. They must also have a C or better in one other non-core course—Tech/Computer Applications, Business, World Language, Math and/or Reading Strategies. A Final 9th grade report card **must** be submitted for review before acceptance is determined.

Students are never admitted to Grades 11 and 12.

## ADMISSIONS PACKET

A completed admissions packet is required before an application can be processed. The following forms and information is required:

- **First Proof of residence** (*Driver's license, State ID, Voter Registration Card*)
- **Second proof of residency** (*Utility Bill, Mortgage Deed/Lease*)
- **Birth Certificate**

## ORIENTATION

**Orientation for new 10th graders** will be held on May 19, of 2018.

## RESIDENCY INFORMATION

Students must register with their school district of residence. If a student and his/her family move into a new school district, the student must register with the new school district and then inform City High of this change.

Students who are not registered with a school district cannot be admitted into City High.

Families who change their residency information, must inform City High. New proofs of residency must be submitted. Students cannot attend City High if the school does not have the new proofs of residency.

Change of address notification forms can be found on the City High webpage and at the main office. This form must be completed and submitted with 2 proofs of residence for the new address within five days.
