

City High's College Scholarships, Grants & Awards

Thanks to generous supporters, **City High awards \$40,000 each year in grants and scholarships** to deserving students. Students who demonstrate academic promise and financial need will find that these grants can help them jump-start their first year after graduation. Whether they are in a two- or four-year college or training program, the money can go toward tuition and fees, books, tools or work clothes. The Scholarship Selection Committee will select and evaluate students for the awards based on performance, growth and a required essay about why they deserve the scholarship or grant money.

The Scholarship Selection Committee will evaluate and select scholarship recipients. The Committee is comprised of both Transition Managers and representatives from Administration, the Freshman, Sophomore and Junior Instructional Staff and the Board of Trustees.

The awards are one time only and are not renewable. Funds must be used in the twelve months following graduation from City Charter High School.

Awards must be used for expenditures directly associated with attending a post high school program (two or four year college or training program).

Funds are paid directly to the institution and may be used for:

- Tuition and fees** • **Books**
- Tools** • **Work clothes**
